

Viewing from TV (AndroidTV, FireTV)

*The TV application is available only in Japanese.

- Download and launch the app.
 - Please search for "MIRAIL" in the Google Play and Amazon app stores to install.
- When the TV application is launched, two login methods will be displayed.
 - Enter your email address and password to log in.
 - You will be asked to enter your email address and password.
 - Read the QR code and log in
 - Scan the displayed QR code with your smartphone, and "log in" on the displayed page with the account you used to register/purchase the membership.
 - Once logged in, an input form for the TV app integration code will appear, so enter the "4-digit" authentication code displayed on the TV app to authenticate.
- After logging in, select "Library" from the menu.
- Select the target work displayed in the library list.
- Select the episode you wish to watch from among the target works.
- The video player will start up and viewing will begin.

*You cannot register a new account from the TV application.

*You cannot make purchases from the TV application.
